It is time once again to submit an application for your event to become a part of the Semana Nautica Sports Festival. The 2009 Semana Nautica festival opens on Wednesday, July 1st and concludes on Sunday, July 12, 2009. Please return your completed application to the Bath House before April 4, 2009. The address is:

Semana Nautica  
Attn: Rich Hanna  
1118 E. Cabrillo Blvd.  
Santa Barbara, CA 93101

We have provided several documents in this folder that will help you organize and schedule an event as part of the 2009 Semana Nautica Festival.

All events must comply with the City of Santa Barbara's special event guidelines. We have included a copy of the cover page to the *City Parks & Recreation Special Events Guide and Application*. To download a complete copy of this document, go to:

<http://www.santabarbaraca.gov/Visitor/Things/Arts/>, click on the "Organize a new event" picture and you can print the document or create a PDF version to save on your computer.

As always, visit our website at [www.semananautica.com](http://www.semananautica.com) for the most current information about Semana Nautica. Feel free to contact Rich Hanna, President at 897-2591 or [rhanna@santabarbaraca.gov](mailto:rhanna@santabarbaraca.gov) with any questions about submitting an event to include in the 2009 Semana Nautica festival.

Respectfully,

Dan O'Meara  
Executive Vice President, Events
